
COVID-19 Statement

As I am sure everyone is aware, COVID-19 is affecting all of us in different ways. Whether individually or as a business.

VFS Ltd are strictly adhering to all current and updated Government advise.

The health and wellbeing of our team, our customers and their families is priority. We have stepped up communications to ensure we know of any change to an individual at the earliest opportunity.

VFS Ltd would like to inform all of our current and potential customers that we have decided to operate in the following capacity for the next few weeks;

- Technical telephone assistance.
- Emergency breakdowns to essential services.
- Spares.

Please inform us of any site-specific procedures that are in place. VFS Ltd will comply with anything that is required and ensures the welfare of our team.

Thanks for your understanding at this testing time.

Wishing you all the best of health.

The VFS team
